OH, LEAVE IT THERE, KUBO.
AYASE-SAN'S NEW BOSS CELL IS READY.
JUST TAKE IT.
BUT KANOU-SAN, MY PREVIOUS CELL IS STILL—
THANK YOU VERY MUCH!
FROM NOW ON MAKE SURE YOU USE THE VIDEOPHONE WHEN YOU'RE TALKING TO ME
EH!?
O—OK...
Call me even if it's not necessary.
Also send me pictures and videos.
I wonder if I can remember all the functions...

NOW ON SALE

METRO

Ayase, who started working part-time as a kitchen helper at Someya's okama bar, is now out on the floor with the customers due to a shortage of staff.
A customer looking for revenge on Someya has arrived and is about to hurt Ayase. Kanon comes to the rescue but there are further problems...?!

Comment

Congratulations on the 2nd anniversary! I'm sorry for drawing a story like this in the anniversary book...! Though at the end of each manga, there were side stories like this as well... if you're interested, please take a look! http://sadistic-mode.or.tv/ It contains my work schedule, doujinshi ordering...etc.
